Lumbar Traction

The HomeTrac name is synonymous with quality home traction.

We've responded to the need for a home lumbar traction device that's even more compact and affordable.

- Variety of patient positioning options
- Replicates clinical traction
- Allows traction in supine position
- Provides therapeutic force up to 200 pounds
- Patented pump allows immediate pressure relief
- Ensures continuity between home and clinical treatments

Saunders Lumbar HomeTrac®

Lumbar Traction

Product Profile

Features and Benefits

- Effectively applies up to 200 pounds of traction
- Friction-free surface ensures smooth motion
- Folds to only 23" x 24" x 3" for easy storage in a sturdy carry case
- Weighs only 16 pounds
- Comes with instructional video and user's guide, written with the patient in mind

- All Saunders home traction products feature our patented pump that allows immediate pressure relief, if necessary, during treatment

Quality home lumbar traction is as easy as . . . 1 - 2 - 3

- Open the unit – it self-locks into position
- Secure the belts – they're already attached
- Pump it up – effective traction, smooth and quick
